Flagship diner on historic Route 66

Welcome to Ruby's

Ruby's Route 66 brings the sights, sounds, and flavors of the open road back to life. Step into a genuine 1980s/90s roadside diner: checkerboard floors, a jukebox spinning the classics, and a menu built around all-day breakfast and old-fashioned fountain treats. Whether you're a local regular or a road-tripper chasing the original Route 66, pull up a stool and stay a while.
